All marriages can benefit from a strong and faithful role model. With so many advice-givers, though, how do you know the best to follow? In The Covenant Marriage, discover how marriage mirrors God's commitment to His people, realize a biblical picture of what a commitment to your spouse should look like, reflect on how tradition draws you to a deeper understanding of marriage, and revisit the covenant you made when you said, I do. This study contains four sessions, each with four main components: Tilling the Ground Planting the Seed Watering the Hope Harvesting the Fruit By delving into God's covenant with His people, you will discover a trusted advisor, and a clear picture of how your marriage was divinely designed to look. We often hear that the institution of marriage is suffering. But there is good news, too! By submitting their relationships to God and seeking out the right resources, married couples can know what it means to truly thrive. That's what Focus on the Family's Marriage Series is all about.
