Reviews

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.
(Ms. Vernie Stracke)

JOHANNA BEYER.

University of Illinois Press, Urbana and Chicago, 2015. Softcover. Book Condition: New. 152 pages. Softcover. New book. MUSIC. Portrait of an innovative woman artist who believed that "the heart and the brain should go hand in hand" Composer Johanna Beyer's fascinating body of music and enigmatic life story constitute an important chapter in American music history. As a hard-working German migr piano teacher and accompanist living in and around New York City during the New Deal era, she composed plentiful music for piano, percussion ensemble, chamber groups, choir, band, and orchestra. A one-time student of Ruth Crawford, Charles Seeger, and Henry Cowell, Beyer was an ultramodernist, and an active member of a community that included now-better-known composers and musicians. Only one of her works was published and only one recorded during her lifetime. But contemporary musicians who play Beyer's compositions are intrigued by her originality. Amy C. Beal chronicles Beyer's life from her early participation in New York's contemporary music scene through her performances at the Federal Music Project's Composers' Forum-Laboratory concerts to her unfortunate early death in 1944. This book is a portrait of a passionate and creative woman underestimated by her music community even as she tirelessly applied her gifts with compositional rigor. The first book-length study of the composer's life and music, Johanna Beyer reclaims a uniquely innovative artist and body of work for a new generation. Amy C. Beal is a professor of music at the University of California, Santa Cruz, and the author of *Carla Bley and New Music*, *New Allies: American Experimental Music in West Germany from the Zero Hour to Reunification*. "Amy Beal writes, 'Johanna Beyer's work combines the confidence of an original thinker and the calculations of an analytical mind.' The same could be said of Beyer's biographer, whose amazing detective skills...
