Closing scenes of the Plantagenet dynasty--Want of interest in the War of the Roses--The question of genealogy--No actuating principle in the contest--Its obscurity--A series of bloody battles--Saintly character of the king--His solitary sadness--Loss of the French conquests--The Duke of Suffolk--Popular tumult--Jack Cade--The Temple Garden--Richard of York and Somerset--The battle of St. Albans--Tho Earl of Warwick, the king-maker--Henrys captivity--The Parliament--Margaret of Anjou--Her character--King Rene--Injustice of English writers to her memory--The battle of Wakefield--Two crowned Kings of England--The slaughter nt Towton--Tewksbury--The queen--Sir Walter Scotts tribute to her--Political effects of the civil war--Death struggle of the military power of the nobles--The last of the barons--Clifford--No feud among the people or vassals--Tho separation of the church from the conflict--Education--The foundation of Eton. The first part of the reign of Henry of Windsor being connected with the close of the war against France, I was tempted, in the last lecture, to digress in some measure into French history, partly because one could hardly help expatiating on the splendid and sad story of that Christian heroine, the Maid of Orleans, and partly because I would fain escape, at least for a little while, from the unpromising and unsatisfactory subject February 22d, 1847. that must be encountered now--I mean the history of that hateful civil feud between the families of York and Lancaster, which has nothing attractive in it save its pretty symbolical title of the War of the Roses. The subject which I have now...
