

Mastering Copperplate Calligraphy

Filesize: 5.86 MB

Reviews

It is simple in read through safer to comprehend. This is for anyone who statte that there was not a really worth reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Samanta Klein)

MASTERING COPPERPLATE CALLIGRAPHY

Dover Publications May 2000, 2000. Trade Paperback. Book Condition: New. Developed by English handwriting masters in the 18th century, copperplate calligraphy is admired for its fluidity and beauty. It is the most popular style for social correspondence, invitations, and other communications requiring an elegant hand. In this practical manual, a noted calligraphy teacher offers a comprehensive, step-by-step guide for the student. Beginning with a brief but fascinating history of copperplate, she moves quickly to an in-depth examination of the alphabet, numbers, and punctuation. Each letter is demonstrated stroke by stroke with a clear explanation. Readers will also find detailed discussions of writing in color, using the proper paper, and learning how to retouch, correct, and crop. Ms. Winters then shows how copperplate can be used to write a simple paragraph, a short quotation, or poetry, and explains how to use the script commercially for addressing envelopes and writing name cards and invitations. With this easy-to-follow manual and some practice, calligraphers will be able to create copperplate scripts with the rhythm, grace, and ease of the great writing masters. Practical guide teaches elegant 18th-century writing style. Each letterform demonstrated stroke by stroke with clear explanation. Write quotations, poems, invitations, more. Numerous black-and-white illus. Bibliography.
