America Star Books, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Robert Ingram was a remarkable leader. He had the ability to make everyone want to model his leadership. During his lifetime he wore many hats. In his private life, his various professional positions and his extensive public service, he led with his strong character and extraordinary charisma. One memorable initiative that I most cherish was his Read-To-Lead program. Dr. Ingram believed that improving reading skills was paramount to improving student performance. Read-To-Lead is one of the many legacies that Dr. Ingram left South Florida. -Roger Cuevas (Former Superintendent Miami Dade Schools) Robert Ingram devoted his life to the enlightenment and enrichment of the minds of young people. He was a clergyman, intellect, public servant, and a gifted leader who was especially revered by those who were the least loved among us. -George F. Knox (Former City of Miami Attorney) This is a man who cared fiercely about justice and fairness.who fought for a community and a country that would have a real commitment to children-all children. -David Lawrence Jr. (President/The Early Childhood Initiative Foundation Former Chairperson The Children s Trust).
