This powerful program provides video producers, Web developers and designers the tools to create sophisticated motion graphics and effects for film, video, CD/DVD and the Web. Adobe After Effects 5 Hands-On Training leads readers through the basics of After Effects and beyond, covering key principles, techniques, tips, and all the new features of version 5. Featuring dozens of hands-on exercises designed by Lynda Weinman, the book is built around specific, real-world projects that teach core techniques such as managing footage, layering, masking, creating effects and rendering. New After Effects features such as 3D compositing, hierarchical layering, 16-bit color channel capability, and new animation and masking enhancements are also explained in detail. 648 pp. Deutsch.
