Arsen's heart was a dozen shades of gray, all murky and opaque. Toby's. I suspect he thought it'd faded black, that he had no redeeming qualities left. But to me, he looked more and more like gold, like the sunset one of those nights where it's all around you. You can't escape it, but only stand there in the glow. For me, he was that glow, and I made up my mind to bask in it whenever I could. ----- Caia Maceo's life changed the day Toby Kemp walked into it. He's different from other boys, silent, secretive. But, their feelings for each other growing, she finds out there's a reason he acts that way. He's lived through something no teen should have to face. He's seen hell and survived.
