(Regular Price \$5.99)* * * Now You Can Also Save Money and Still not Live Like A Begger! Frugal living is the new in-thing, even without financial problems. Everybody wants to give frugality a shot, and if you ask me, it will do the planet a favor. Think about it, if you reduce your consumption and focus on making do with things you can find naturally, you are not only saving money, but the planet as well. It s a win-win situation, though the businesses will fail. Why Buy the eBook? Buy it because you need all the advice you can get! This eBook will help you discover ways in which you can cut on unnecessary expenses. It is not written in a dry manner, and so you just might complete it. How this eBook works Probably not like other eBook, it lays more emotional emphasis on the natural aspect of frugal living such as gardening and a small kitchen garden, homemade furniture etc. In your very room, there are items you can use to create elaborate decorations. Frugality is a lot about creativity. You will find certain small lessons scattered all over the book, snippets of advice. You will also learn about managing finances, along with how to live frugally. The book also makes clear some common mistakes people make when dealing with money. Bigger Picture Once you learn to see the bigger picture, it will suddenly become very clear to you where you can cut down, and where you can splurge. You will also learn the importance of taking a...
