Probably composed in late 1606 or early 1607, Macbeth is the last of Shakespeare's tragedies, the others being Hamlet, King Lear and Othello. If Hamlet is the grandest of Shakespeare's plays, Macbeth is from a tragic standpoint the most sublime and the most impressive as an active play. If we just consider the plot, Macbeth is a relatively simple play. In fact like Richard III and numerous pre-Shakespearean plays, it deals with a traditional form: the rise and fall of a great man. In the first part of the play we read about Macbeth's rise to power; then he manages to become king of Scotland. From this moment on he begins with a period of tyranny that will end with Macbeth's death and the accession to the throne of the legitimate king. For this reason he can be considered as the epitome of a tragic hero. In the course of the play we notice a great development of Macbeth's character. At the beginning he is a man much honoured by his countrymen for his leading and courageous part in defence of his good king and native land. During many conflicts he showed his great courage and he continues showing this personal quality also when he becomes king and he has to take a lot of difficult decisions. But this first description about Macbeth's character is not the definitive one: in fact as soon as we...
