

Death, It's a Small Price to Pay: The Future Is Filled with Danger and Adventure (Paperback)

Filesize: 4.12 MB

Reviews

A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.
(Garett Stanton)

DEATH, IT S A SMALL PRICE TO PAY: THE FUTURE IS FILLED WITH DANGER AND ADVENTURE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thirteen-year-old Jason and his skateboarding colleagues are trying to stay one step ahead of a secret committee of public servants ready to slaughter thousands. The motive? It seems the bad guys want control of the over-the-counter drug market, and killing is the best way to do it. Things are different in the year 2041, but mass murder is still a serious crime. Go figure. The future is full of new technology and social change, and while many are quite happy with their structured lives, there s a large faction of citizens that feel the need to break away from the controls. News of civil hostilities fills the communications network, and is reminiscent of the divisions rampant during the Civil War era in American history and Jason jumps, grinds, and stumbles himself right into the middle of the chaos. A stranger approaches Jason with a deal that s hard to refuse. Win a spot on the prestigious school skateboarding team by simply agreeing to observe members of Congress during the team s scheduled tour of the State Capital. That doesn t seem too hard, nor does keeping the little favor a secret - certainly not when the advantage seems all on his side. But is it really? Danger looms when Jason and a friend overhear a private meeting that forces the accidental heroes to make decisions that could affect millions of lives across the country. Life can be a little complicated for a seventh-grade hero who works undercover for a secret organization. Jason and his friends become inventive sleuths, using their wits and available resources to fight evil. Twisted plots and skating maneuvers keep these boarders...
