The first comes in from Amy Wilson. She s been brutally attacked on her arrival home from play rehearsal. The second has Reid breaking up a fight at a bar called Murphy s Arms. But the third call, about a dead body, is when things get complicated. The body belongs to one of the night s bar brawlers, an American tourist now stabbed to death in the road. It seems like there is an obvious murder suspect until another body shows up in the lake. Are these murders and the attack somehow intertwined? Reid must wade carefully through the evidence and the witnesses, all the while juggling pressure from a hostile city council and unwelcome reporters. Add in the town play, bear baiters, and American evangelicals, and Reid has his hands more than full. Thankfully, he has got his dog Sam by his side.
