iUniverse, Inc. Paperback. Book Condition: New. Paperback. 70 pages. Dimensions: 8.7in. x 6.3in. x 0.3in.Reading to a child is leading himher into the world of a particular topic. The interpretations and explanations are fundamental in formulating a minds image of all that is verbalized. What is read to a child is just as important as how it is read, and once a child steps into the words using his own imagination there is a stimulation that entices their want to hear more. Running alongside a lion in chase, or climbing to the very top of a huge redwood and seeing the entire world below, skipping along the ocean floor, or hearing a voice coming from a tree are just a few of the many trips your child will take in their journey through Isabellas Fables. And through the adventure there is a lesson to be learned. Unlike the fables of old, these stories are written in present day vernacular and the moral of the story is easily understood. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
