

Beaches, Blood, and Ballots: A Black Doctors Civil Rights Struggle

Filesize: 8.97 MB

Reviews

Definitely among the best publication We have possibly read through. I really could comprehend everything using this published e ebook. Its been written in an exceedingly straightforward way and it is simply after i finished reading through this ebook through which basically altered me, change the way i believe.

(Mr. Malachi Block)

BEACHES, BLOOD, AND BALLOTS: A BLACK DOCTORS CIVIL RIGHTS STRUGGLE

University Press of Mississippi. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. This book, the first to focus on the integration of the Gulf Coast, is Dr. Gilbert R. Mason's eyewitness account of harrowing episodes that occurred there during the civil rights movement. Newly opened by court order, documents from the Mississippi Sovereignty Commissions secret files enhance this riveting memoir written by a major civil rights figure in Mississippi. He joined his friends and allies Aaron Henry and the martyred Medgar Evers to combat injustices in one of the nation's most notorious bastions of segregation. In Mississippi, the civil rights struggle began in May 1959 with wade-ins. In open and conscious defiance of segregation laws, Mason led nine black Biloxians onto a restricted spot along the twenty-six-mile beach. A year later more wade-ins on beaches reserved for whites set off the bloodiest race riot in the state's history and led the U. S. Justice Department to initiate the first-ever federal court challenge of Mississippi's segregationist laws and practices. Simultaneously, Mason and local activists began their work on the state's first school desegregation suit. As the coordinator of the strategy, he faced threats to his life. Mason's memoir gives readers a documented journey through the daily humiliations that segregation and racism imposed upon the black populace -- upon fathers, mothers, children, laborers, and professionals. Born in 1928 in the slums of Jackson, Mason acknowledges the impact of his strong extended family and of the supportive system of institutions in the black neighborhood. They nurtured him to manhood and helped fulfill his dream of becoming a physician. His story recalls the great migration of blacks to the North, of family members who remained in Mississippi, of family ties in Chicago and other northern cities. Following graduation from Tennessee...
