Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The book includes 5 lectures, delivered in 1914 by the Bulgarian spiritual Teacher Beinsa Duno (1864-1944). According to Beinsa Duno, 1914 is a memorable year in the history of the Earth. It marks the beginning of a new cosmic cycle on Earth, in which new conditions emerge for great spiritual impulses to arise and give an impetus to the progress of humankind for thousands of years to come. Such impetuses reveal the Cosmic Plan in new and unique ways and manifest through major positive changes in Intelligent Nature. In the course of 50 years the Master Beinsa Duno held about 4,000 lectures. All aspects of human life: personal, family and social, in relation both to the spiritual and physical, to the mundane and transcendental in the various fields of science, religion and art have been illuminated by Beinsa Duno and introduce the readers of his books to a way of modern spirituality. It includes new care of our health, that we can learn from Nature, a new experience of music and sacred dance (Paneurhythmy), insights into basic laws of human life, a new vision of educating children, an awareness of the gifts of Love, and the way to work for a new social order that is based upon this Love. The greatest purpose of his lectures and talks is to give directions and methods for establishing a new culture on Earth in the new cosmic cycle. Beinsa Duno is speaking from a long spiritual tradition of a country that has brought forth two other mystical Schools in the past: the Schools of Orpheus (which led to Pythagoreanism and Platonism) and the 10th century Bogomils (known also as Cathars,...
