Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Their chief vice is that so many of them are very serious; because I had no time to make them flippant. It is so easy to be solemn; it is so hard to be frivolous. Let any honest reader shut his eyes for a few moments, and approaching the secret tribunal of his soul, ask himself whether he would really rather be asked in the next two hours to write the front page of the Times, which is full of long leading articles, or the front page of Tit-Bits, which is full of short jokes. If the reader is the fine conscientious fellow I take him for, he will at once reply that he would rather on the spur of the moment write ten Times articles than one Tit-Bits joke. Responsibility, a heavy and cautious responsibility of speech, is the easiest thing in the world; anybody can do it. That is why so many tired, elderly, and wealthy men go in for politics. They are responsible, because they have not the strength of mind left to be irresponsible. It is more dignified to sit still than to dance the Barn Dance. It is also easier. So in these easy pages I keep myself on the whole on the level of the Times: it is only occasionally that I leap upwards almost to the level of Tit-Bits.
