No matter where they live, children are always curious about the world. But nothing proves more fascinating to them than other children. Exploring the themes of commonality and diversity, this informational picture book introduces young readers to 12 children from around the world. Speaking in the first person, the children briefly describe such things as the language, food, clothing, schooling and daily life of their region. One of the most appealing aspects of this book is the artwork, which features the use of fabric, paper, mesh, string and felt in multimedia collage. Through the use of colors and textures, each child emerges with a distinctive and endearing personality. This item ships from multiple locations.
