

Barely Composed: Poems

Filesize: 7.65 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Barely Composed: Poems, Alice Fulton, Alice Fulton reimagines the great lyric subjects-time, death, love-and imbues them with fresh urgency and depth. Barely Composed unveils the emotional devastations that follow trauma or grief-extreme states that threaten psyche and language with disintegration. With rare originality, the poems illuminate the deepest suffering and its aftermath of hypervigilance and numbness, the "formal feeling" described by Emily Dickinson. Elegies contemplate temporal mysteries-the brief span of human/animal life, the nearly eternal existence of stars and nuclear fuel, the enduring presence of the arts-and offer unsparing glimpses of personal loss and cultural suppressions of truth. Under the duress of silencing, whether chosen or imposed, language warps into something uncanny, rich, and profoundly moving. Various forms of inscription-coloring book to redacted document-enact the combustible power of the unsaid. Though "anguish is the universal language," there also is joy in the reciprocity of gifts and creativity, intellect and intimacy. Gorgeous vintage rhetorics merge with incandescent contemporary registers, and this recombinant linguistic mix gives rise to poems of disarming power. Visionaries-truth tellers, revelators, beholders-offer testimony as beautiful as it is unsettling. Shimmering with the "good strangeness of poetry," Barely Composed bears witness to love's complexities and the fragility of existence. In the midst of cruelty, a world in which "the pound is by the petting zoo," Fulton's poems embrace the inextinguishable search for goodness, compassion, and "the principles of tranquility."
