Brand New Book ***** Print on Demand *****.Surviving With Joy is a true story detailing God s complete love. The tragic events which took place in my life are, unfortunately, not the first or last times for these types of worldly trials. Yearly, many families are faced with the loss of a child. For my family, this tragedy has been endured on three occasions. But, by the grace of God, we have endured and now lead a life of abundant joy through the love and truth of Jesus Christ. Jesus states in John 10:10, The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly. Satan is the thief. Satan brought death into this world and is the very reason that I am separated from three of my children today. However, Jesus overcame death with His life. He lives today and will help you recover from grief, especially that of your child, but you have to accept all that He has to offer to enjoy His life of abundance. Surviving With Joy explains how Jesus helped me and my family. He is waiting to help you, too.
