THEORIES OF COMMUNICATION NETWORKS (PAPERBACK)

Oxford University Press Inc, United States, 2003. Paperback. Book Condition: New. 232 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To date, most network research contains one or more of five major problems. First, it tends to be atheoretical, ignoring the various social theories that contain network implications. Second, it explores single levels of analysis rather than the multiple levels out of which most networks are comprised. Third, network analysis has employed very little the...
