Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Why do I have to pay a toll? No one else is forking out dough, you big baboon. I wouldn't recommend repeating those words to anyone who is dangling you a foot off the ground. My face suddenly felt like it had collided with a cement wall at forty miles per hour. I found myself sliding across the tile floor and coming to rest in the corner of the hallway. You hit me! I rubbed my jaw in disbelief. Damian had always seemed a level-headed sort of guy. I can't believe you hit me! I'll do a lot worse than that! A handful of spectators scrambled out of the way as he lunged for me. I dove behind a bench outside the high school office. The secretary never even looked up. I hoped word of my death in front of the wide, newly installed security window didn't leak out to the city's more violent criminal element. I just can't catch a break. Most of my friends only concern themselves with girls and grades, but I have to worry about retaliation from hellish warlords. When three of my classmates succumb to a strange malady, I become the target of irrational violence. Is it a coincidence, as Elena so firmly believes? Or could there be a deeper, more evil explanation? Taylor's epic adventures are making their debut in their original serial format. Over the summer (2015), the adventures will re-release in twelve unabridged, 50-page episodes. Watch for each new arrival and collect them all. Available in digital and paperback formats.
