101 BEHAVIOR TIPS FOR PARENTS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.REDUCING THE STRESS FROM PARENTING - Clear, concise tips that parents have said changes their approach to their child s behaviour. Suitable for conversation starters, flicking through, gifts, coffee tables, sharing with your friends, or even a way of starting that chat with your partner about their parenting technique (yes, that conversation). The way we deal with anger is based on what we were taught as children - largely by our parents. The way anger is managed within a family can have a huge impact on everyone s happiness. That s because anger is like a lion inside you. Unchecked it builds up and up, and when it roars it s hard to silence. Developments in neuroscience have changed our understanding of anger management and this book contains up to date tips to help you and your children tame your lions and manage your emotions. Designed to be dipped into rather than read cover to cover this is a stimulating book for parents. WARNING! The contents of this book are likely to seriously improve your family s life.
