Early Numeracy: Assessment for Teaching and Intervention (2nd Revised edition)

By Robert J. Wright, Jim Martland, Ann K. Stafford

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Early Numeracy: Assessment for Teaching and Intervention (2nd Revised edition), Robert J. Wright, Jim Martland, Ann K. Stafford, 'Unlike many books based on research work this book doesn't just let teachers know what is going wrong with children's learning it actually gives some practical advice about what to do next. The whole book is based upon extensive observation and recording of individual children and their difficulties with mathematics. These children are the most difficult to plan for in a busy classroom and the authors appreciate the small steps and the different learning styles approaches needed for these children. This approach fits well with the NNS wave and springboard materials but takes the analysis of the individual's difficulties to a more detailed level. The book brings together research carried out across a range of countries and therefore shows the versatility of the approaches taken. This will be a very useful book for trainee teachers as it exemplifies how to use assessment to feed into teaching. It will be helpful for class teachers and mathematics co-ordinators as well as SENCOs to assist in improving the teaching and learning for specific children in our...
