THE BEAUTY OF MEN NEVER DIES: AN AUTOBIOGRAPHICAL NOVEL.

Terrace Books, Madison, 2013. Hardcover. Book Condition: New. 144 pages. Hardcover with dustjacket. New book. AUTOBIOGRAPHY. Buoyant and entertaining, this melding of memoir and fiction recounts with humor and candid observation a gay man's romances in his seventies, offering insight into the joys (and a few of the sorrows) of loving, living, and aging with grace, style, and a fearless sense of fun. Bouncing between Montevideo, New York, and Paris, the narrator reveals his adventurous life, his many lovers, his varied careers from dance to advertising, and the upbeat outlook that sustains him as he pursues the elusive Fenil, a handsome Uruguayan policeman. David Leddick's short sketches, interspersed with memories, attitudes, and opinions drawn from the past, combine in a vivid tale of a life lived with panache at an age when most people think the adventure has already ended. "Our culture rarely allows the fantasies, desires, and longings of older people to be spoken, never mind published. The Beauty of Men Never Dies breaks that silence. In this memoir, writer, collector, and raconteur David Leddick not only reminisces about his life and loves, but gives us a vivid, important sense of what it means to be a gay man who has lived a full and happy life over the past seven decades. As a document of gay male history, The Beauty of Men Never Dies adds to our understanding of a complex past. As a memoir, it is moving reminder of how important sex is to being a creative human being." ÑMichael Bronski, Harvard University David Leddick is a writer, playwright, actor, and contributor to the Huffington Post. His previous careers have included service in the U.S. Navy, dancing with the Metropolitan Opera in New York, and working as creative director with the advertising clients Revlon and L'Oreal in New...
