Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Like hypnotized Cobras swaying to the music of the snake Charmers, we Americans have been so mesmerized by the Budget Deficit Hawks that we are now swaying to their shrills of Government profligacy and Government is too big. We have been charmed to believe in the phantoms called Government Budget Deficit and National Debt. Mere illusions. We need to snap out of them, for they are not real. In Wake Up, America! We are Destroying the American Economy and Ourselves, Bright Harry debunks the myth of the Government Budget Deficit and National Debt that have plagued us for the past couple of hundred years. In answering these poignant questions and more with mathematical precision, Bright Harry shows glaringly the fallacy and folly of humanity as a whole, believing the illusion called Government Budget Deficit that has destroyed the economies of many Nations for hundreds of years and is presently decimating the Economy of every single Nation on earth, including that of the United States. With lucid explanations, logic and history, he proves without a scintilla of doubt, that there is nothing called a Nation s Budget Deficit. In short, the Government Budget Deficit is a monumental Fraud, and so is the National Debt. He insists that...
