Dog Ear Publishing, United States, 2006. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Stop That Dog Now! An Owners Guide To A Problem Free Dog is the result of the author s (Sue Clauss) thirty years of experience in the trenches training dogs and helping their owners solve their pets behavioral problems. The application of properly performed basic obedience training, which provides self-control in the dog, as the foundation for problem solving as well as the practical corrections and setups, make the approach outlined in this book highly successful for the average pet owner as well as the advanced trainer. Sue Clauss is a professional dog trainer of over thirty years experience. During her career, Ms. Clauss has trained over 5,000 dogs and instructed many more humans in how to train their dogs and solve behavioral problems. She holds a Bachelor s Degree in Animal Science and is Certified at level II by The North American Society Of Dog Trainers (one of only seven in the country). Ms. Clauss sees the compatible human/ dog relationship as a segue to healing the breach between Mother Earth and her two-legged children. Having operated training centers in both Maryland and Delaware, Ms. Clauss now resides in the beautiful mountains of West Virginia.
