Brand New Book ***** Print on Demand *****.El Manual de Química General explica los conceptos teóricos, definiciones y problemas verbales presentes en un curso de química general a nivel universitario. Incluye ejercicios de práctica, el espacio para contestarlos y sus respuestas. Al final del manual se encuentran dos exámenes comprensivos con preguntas de todos los veintiun capítulos y sus correspondientes contestaciones. El manual es de mucha utilidad como libro de referencia, o como texto suplementario al libro del curso de química general. El Manual de Química General es muy útil para el profesional que debe aprobar exámenes de revalida que incluyan química general, o para el estudiante universitario que necesite repasar antes de sus exámenes. This twenty-one chapter book explains the concepts, definitions and verbal problems that are present in a general chemistry course at the university level. It includes practice exercises, space to solve them and their answers. At the end of the manual there are two comprehensive tests, with questions, problems and answers. This manual is very useful as a reference book or as a supplementary lecture to accompany the general chemistry textbook. It is very useful for the professional that must review general chemistry for obtaining a license to work or for the university student that need to review for the general chemistry tests.
