St Martin's Press. Paperback / softback. Book Condition: new. BRAND NEW, King James: Believe the Hype---The Lebron James Story, Ryan Jones, LeBron James is a six-foot-eight gift from the basketball heavens. He was the undisputed finest high school player in America. He was the one NBA scouts drooled over, corporations dreamed of, event promoters begged for, and now fans clamor after. Never before had a high school basketball player been so highly touted or an eighteen-year-old athlete been the subject of such fascination. Maybe no basketball player in the world has had that level of attention. Now with the Cleveland Cavaliers, LeBron has become a certified NBA all-star. Love him or hate him, there is no denying that LeBron James is a force on the basketball court, and his rags to riches story is the stuff that dreams are made of. Ryan Jones has updated his smash hit book "King James" to incorporate everything that is LeBron: the controversy, the star power, the shoes, the cars, the hobnobbing with the world's most famous celebrities, and, of course, the game. This is a book for every fan of LeBron James and for anybody interested in reading about an NBA legend in the making.
