Paperback. Book Condition: New. Paperback. 197 pages. This is my first memoir and may be my last; only time will tell. I was born in Florala, Alabama. My mother and father divorced when I was 5. Music became a friend and I formed a band when I was 15. After graduation from Holmes County High School in Bonifay, Florida I enlisted in the United States Navy. My Honorable Discharge came and Hollywood, California called, then New York, Memphis, Nashville and back to Hollywood. Along the way I investigated the assassination of Martin Luther King Jr. in association with the US Governments HSCA - House Select Committee on Assassinations. Danger, intrigue and murder followed as I began to unravel the truth and connections between the killing of MLK, JFK and RFK. I wrote a little bit about my life and self-published it in this book. From his humble birth; murder, intrigue, adventure, conspiracy and danger have followed Gary Revel. At the age of 10 years old his mother killed a friend in the bar she owned in Niceville Florida and was jailed in the Okaloosa County Jail for months until the...
