In Easy Steps Limited. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.7in. x 7.2in. x 0.6in. Since its introduction in 2010, the iPad has quickly become an iconic device - a compact, versatile tablet computer that packs a real punch in terms of its functionality. It is now widely used and in many ways it is ideal for children: it is user-friendly, compact, powerful and stylish into the bargain. But for a parent, the idea of your child using an iPad can be a daunting one: how do you know what they are using it for, what are they looking at on the web and how are they communicating with their friends? **A Parents Guide to the iPad in easy steps** is the guide that aims to put parents' minds at ease and lets them understand the iPad, while helping their child explore this exciting device. The book looks at the functionality of the iPad so that you can understand how your child is using it, and also make the most of yourself. It then covers a range of topics for which the iPad can be used: education, games, photos, music, creativity and social networking. This third edition covers the latest operating system, iOS 7. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
