Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HarperCollins. Paperback / softback. Book Condition: new. BRAND NEW, Across the Lines, Carolyn Reeder, Twelve-year-old Edward thought of Simon as his friend and never imagined life without his companion and slave. But when the Union army invades Virginia and takes over Edward's family's plantation, Edward's family flees to nearby Petersburg, while Simon runs toward freedom. With terrific detail and historical facts woven throughout, the author crafts a story set during the actual siege at Petersburg, complete with battle scenes, descriptions of army life on both sides of the war, and what life was like, told from the point of view of two young boys--one white and one black.
