In 2004, he was sent to Duke Medical for what was called a Hail Mary pass; stage four melanoma cancer had spread throughout his lungs, organs, lymph system and brain. He was told they were not even able to give him experimental chemotherapy. He looked up and said, Thank You, Lord; now you and I can work this out together. He returned home sick, in pain, and unable to get up. David knew God had protected him in some pretty intense situations all over the world. As everyone else was preparing for his death, David knew he had to get out of bed and start working on his covenant to God and find out what he said, because he believed God had other plans for him. Share in his journey through some of his darkest and scariest hours, in his twenty-year struggle to regain his name and his battle with cancer. See how his faith was forged through trials and tribulations and how he was stripped of everything except God's promise. Learn how David knew that God was ready to bring his twenty-one-year-old son home. He knew God's timing is always perfect. Through his love for the Lord and others praying for him, David experienced a miracle and made medical history. Learn about his covenant with God and see how the faith of a mustard seed opened doors, moved mountains, made miracles happen, and saw God's promise was fulfilled. God heard their prayers and David knew through faith there is hope. The dark tunnels in his life were opened through God's light of hope and through faith.
