And when they end up in space, who knows where their adventure will take them? The Clogpots are so slow, they make snails look brainy! So when they try to fly a hot air balloon, it's not surprising that things soon go disastrously wrong. They have ended up in space, with no way to get home! Things may not be exactly what they seem, but will they be able to muddle their way out of trouble? Jets is a series of simple stories with lots of lively pictures, ideal for children who are just beginning to enjoy reading.
