When we have conquered the survival mode way of living, we seek to be fulfilled, satisfied and mindful. The portal to that inner power rested in the Mayan culture, now it rests upon our soul friends. This story begins in the astral spheres where the four loving souls are preparing for yet another journey to the earth plane. Being born in different corners of the earth, the question is if they will find each other? And if they do, can they recognize their most dearest soul-mate? The brave explorers will be send this time to teach society about their special soul-mission in life through example and with a unique manuscript that Ixaya will receive through channeling. In order to teach about power, one must know how it is to suffer first, so their lives won t be without heavy challenges. Can they get in touch with their true self, see that inside the physical body with day to day tasks there is a light presence with a deeper purpose. One of our friends, Gi, is born in Thailand and when a future of prostitution awaits her she takes her own horizons in her hands. Being a strong warrior, a soul mission-nr.2, she is given the power of success, courage and abundance, so she follows her true self as it takes her to victory and dazzling heights. The other three, with different tasks ahead also live their story to the fullest. A love story between four souls that survives another test of time....
