Brand New Book ***** Print on Demand *****.Excerpt from A Talk on the Psalms The Book of Psalms holds a distinct place among the sacred writings of the world. Luther, struck by its comprehensiveness, called it A little Bible. Beyond all other books it is a repository of human experience. As some one has well said: It contains the whole music of the heart of man, swept by the hand of his Maker. Here we find the lyrical burst of his tenderness, the moan of his penitence, the pathetic accent of his sorrow, the triumphant shout of his victory, the despairing sob of his defeat, the firm tone of his confidence, the rapturous note of his assured hope. The Psalms are preeminently the book of Man. This accounts in large measure for their immense and wellnigh universal popularity. To Jew, Catholic and Protestant alike, they are a treasure-house of sacred truth. Among the ancient Jews they were held in sacred repute, as the lofty products of divine inspiration. That the Psalms were most highly prized by Christ and his followers is evident from the use made of them. Of two hundred and forty-three citations from the Old Testament in the New, one hundred and sixteen are from the Psalms.
